Amazingly says it's 100% successful

Frankincense

Distilled pure Sacred Frankincense (only from Somalia) works best only found by Young Living (#1175386) . 2 ml daily. Take a 15 ml bottle and gently heat & distill to 2 ml. take sublingually over course of a day for one month - recheck. However, each person and cancer is different. I tend to evaluate entire energy and organ systems and go from there. I have had incredible results with brain tumors, prostate cancer, breast cancer, colon and uterine cancer with less Frankincense. Feel free to contact me directly to discuss specifics. <http://www.facebook.com/whitewillow.viriniab>
